

Confirmation Letter for a Full Driver Licencing History in Alberta

In Alberta, the driver abstract does not reflect the full history of your driving experience. The abstract will only indicate the issue and expiry date of your current/last issued driver license. See this [page](#) for more information about an AB Driver Abstract

If you are being asked to provide proof of date of **first licensed** in AB, you should be requesting for a confirmation letter instead of a driver abstract. The confirmation letter will be accompanied with a 10-year abstract and the processing time is approximately 2-3 weeks.
